Dear Council 82 Military/Veterans Members;

Your Veterans Committee is looking for photographs of Council 82 Members that have been deployed as well as any monuments, plaques etc. recognizing military /veterans. These can be at the work place, at your deployed location or in your community. You can email or mail photo's. As always, THANK YOU for what you are doing for your Community, State, and Nation. Especially let us not forget those who have served and are currently serving within our Armed Forces of the United States as we approached this upcoming Veterans Day (November 11, 2009).
