MEMORANDUM

TO: All Members of Security Supervisors Unit

FROM: Ennio J. Corsi, General Counsel

DATE: October 9, 2008

RE: Status Report on Negotiations with New York State

Council 82 was advised by the Governor's Office of Employee Relations yesterday that the State is postponing the negotiations previously scheduled for October 22, 23, 27, and 31, 2008. The parties had hoped to explore whether the compensation issues concerning the Security Supervisors Unit, including those issues currently at interest arbitration, could be resolved through negotiation. The interest arbitration is, however, going forward as scheduled. The next dates for those hearings are December 2, 4, 15, and 18, 2008 and January 7 and 13, 2009.

We will advise you if the negotiations are re-scheduled, and we will continue to keep you updated with regard to the interest arbitration. Please continue to check the Council 82 website for further status reports on these issues.
