RE : January 2008 Dues Increase

This is to inform you of the dues increase according to the AFSCME & Council 82 Constitutions. AFSCME's calculated increase was 4.019% based on increases collected by AFSCME's membership. This same percentage is used by Council 82 to calculate our increase.

Enclosed is the minimum dues required for AFSCME and Council 82. Remember that your local may determine whatever per capita it wishes for local purposes to be added to this. Any amount above the required minimum of \$54.86 and \$30.46 per member per month for full time and part time, respectively, will be remitted back to the local. **Please adjust your dues structure accordingly with your municipality effective with the first payroll period ending in January 2008.**

For dues purposes, a part-time employee is defined as an employee who works less than twenty (20) hours per week, or less than forty (40) hours every two (2) weeks.

As per an amendment at the 2006 International Convention, effective January 1, 2008 AFSCME's dues will be increased an additional \$.75 and \$.55 for full time and part time, respectively. This amendment also calls for AFSCME's regular calculated increase of \$.35 to be allocated back to the Council. Last year, we did not pass on to our members the \$.20 increase that was allocated back to us. We can not afford to do this any longer.

Your cooperation will be appreciated. If there are any questions concerning this, please do not hesitate to call John Gifford at the Council 82 offices.
