In January of 2019 my brother Terry Weaver got the bad news that he had stage 4 lung cancer and the cancer has wrapped itself around the aorta of his heart. On top of that bad news, he has had two brain surgeries to remove a big mass. As he begins his journey of radiation/chemo his medical bills are starting

to pile up. My brother was always the quiet one, worked his butt off and was always there to lend a hand to others when needed. Terry served four years Air Force and has 30 years in corrections. He was the Sergeant First Class at Orleans County Jail.

NOW MY BROTHER NEEDS US TO HELP FIGHT FOR HIM! PLEASE join us at the Ridgeway Firehall for a huge basket raffle, 50/50, big-ticket items and A LOT LOVE! Please call or text his sister Kim Lockwood at 585-721-2674 to donate.
