Attention Retirees:

If you already have your retirement number, it is not necessary to submit payment with your application. Just mail your application to the address below and your coverage will begin upon dues deductions from your pension.

However, if you don't have your retirement number:

So as **not to miss out on coverage** you will need to **pay your first year's dues in advance**. The reason for this is that it takes two (2) to six (6) months to get your Retirement Number from the NYS Retirement System. This number is necessary to have dues deductions taken from your pension check.

Send the completed **Membership Application and Dues Deduction Authorization** form **and** your **check** in the amount of **\$90.00** to cover your first year's Membership Dues and Death Benefit (*).

After your first year of membership, we will automatically start dues deductions from your pension check.

Make Check Payable & Mailed to: Retiree Chapter 82
63 Colvin Ave
Albany, NY 12206

In solidarity,

A handwritten signature in blue ink that reads 'Henry E. Miglianti'.

(*) For those who wish to **opt-out of the \$3,000 death benefit**, send the completed **Membership Application and Dues Deduction Authorization** form with box checked accordingly **and** your **check** in the amount of **\$24.00** to the address above, for your first year's Membership Dues. 8/18/2021
